## PROFILE SUMMARY

---

As a recent graduate with a Bachelor of Business Information Technology degree, I bring a unique blend of computer science, business management, and human development skills to the table. Throughout my academic journey, I complemented my coursework with practical experience, I worked at Kisumu Bearing Stores Ltd during school breaks. This opportunity honed my customer care expertise, polished my correspondence writing abilities, and sharpened my people skills.

Driven by self-motivation and a thirst for knowledge, I thrive in dynamic, fast-paced environments. Whether tackling tasks independently or collaborating within a team, I consistently deliver results.
